Description: Mastering the Nikon D500 by Darrell Young provides a wealth of experience-based information and insights for owners of the new D500 camera. Darrell is determined to help the user navigate past the confusion that often comes with complex and powerful professional camera equipment. This book explores the features and capabilities of the camera in a way...

Review: Every time I get a new camera body the first thing I do is order Darrell's book. The D500 was no exception. He takes you step by step through all the features of the camera and explains each so that it is easily understandable. He even supplies recommended settings and explains why he chose that particular setting. His books should be supplied by...
